EXPERIENCE CERTIFICATE

To whom it may concern

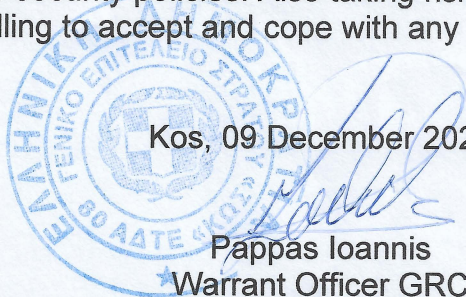

This certificate is to verify Pvt. Iliadis Ioannis who worked for a 7-month period, between 10/05/2022 and 10/12/2022, in the computer research & informatics office of the headquarters of the 80th National Guard Higher Command, based in Kos.

As an IT Support Administrator his main duties included:

- The development, administration, operation and maintenance of the IT Systems of the 80th NGHC headquarters, as well as the units and subunits of the formation.
- The technical support and maintenance of hardware and software systems.
- Supporting and training staff on how to take advantage of the corresponding information systems, as well as networks and applications.

Pvt. Iliadis Ioannis has proven his ability to work as part of a team, even under the most stressful conditions, and he is emotionally stable and mature. He is anything but a reliable man to handle of classified information and he contributed to the improvement of the NGHC headquarters security policies. Also taking risks and initiatives was never a problem for him, willing to accept and cope with any negative results.
